

Sex Trafficking- No Longer Just a Big City Issue

Presented by Laura Sutherland J.D.,
Safe Harbor Regional Navigator for Southeastern MN

Trafficking of humans is the second largest criminal industry in the world after drug dealing. The “not in my back yard” mentality is a boon to human traffickers, as many are moving their businesses beyond big cities into unsuspecting rural communities. Traffickers like to work underground through social media and are drawn to small towns, because they feel they won’t get caught.

Come get educated on how to identify and report suspected incidents of (commercial) exploitation and human trafficking.

Both presentations will provide a comprehensive overview of Minnesota’s Safe Harbor Law. Learn about the prevalence of sex trafficking in the Southeastern Minnesota area and the efforts undertaken to combat it.

Please join us for one of our presentations

At **Four Season Community Center**

900 N Kingston St, Caledonia, MN
