

FEB. 29 FROM 6-8PM COMMUNITY ILLICIT DRUG FORUM: “A NIGHT FOR HOPE”

A Family’s Journey from Addiction to Recovery

Your Choice started with one family who lived through the devastation of drugs and alcohol. Their son Tyler struggled with drugs and alcohol for 11 years until he decided it was time to get help. Once he completed treatment in 2008, the family came together and decided they wanted to educate youth and families about drugs and alcohol so that other families wouldn’t have to experience what they lived through.

Intended for: community members including parents, family members, caregivers, health professionals, business leaders, mental health providers, counselors, and others.

Sponsored by: Addiction Medical Solutions, Onalaska, WI., La Crosse County Heroin and Other Illicit Drug Task Force and the La Crosse County Prevention Network

It can happen to
anyone, any family!
